**ABOUT**

Symphony Private Jets (SPJ) is a wholly-owned subsidiary of Port City Air, an experienced government contractor who has provided a full range of aviation support services to thousands of U.S. and foreign military and government aircraft for over 20 years. Symphony Private Jets is the aircraft brokerage arm, sourcing aircraft and providing logistical services for both the civil and government communities.

**ENHANCED SUPPORT**

*Tactical Precision Beyond the Scope of the Mission*

- Ground Transport
- Security Measures
- Catering
- Liaise with appropriate authorities
- Sourcing professional team members
- Securing lodging/meeting areas
- Commercial/corporate travel services
- Any logistical support that ensures mission-critical precision

**CORE COMPETENCIES/DIFFERENTIATORS**

SPJ sources aircraft through a proprietary list of vetted air charter providers who operate with the same safety-first, mission-critical dedication that we do.

Our dedicated pre- and post-flight preparations reduce operational delays to ensure mission-critical precision.

Symphony Private Jets owns a Part 135 Air Charter division with a fleet of turboprop and jet aircraft. This complete breadth of experience makes us exclusively qualified in understanding and supporting the unique needs of our customers.

**PAST PERFORMANCE**

Symphony Private Jets has completed over 650 missions, exceeding 2600 flight hours for passenger, cargo and medical missions alike.

Our customer base is almost exclusively repeat in nature citing our reliability, safety-conscious environment and when necessary, our engagement beyond the scope of the mission as reasons for their loyalty.

*A Well-Orchestrated Experience*
